A NOTE FROM OUR CEO

At Tyler City Employees Credit Union, we are committed to giving you more products and services designed to strengthen your financial health. It's because of you that we offer low-interest-rate loans, credit cards, and benefits that turn traditional banking on its head.

We are also constantly evolving our members' journey to give you the best possible banking experience. So, before you find a new home, buy a car, perform home renovations, or get that big-ticket item, visit us online or at your local Tyler City Employees Credit Union branch. Thank you for your continued support.

Recreational Loan - ATV

Get some mud on your wheels this summer! With an ATV loan from Tyler City Employees Credit Union, finance a brand-new ATV for your adventures. Get ready for the ride of your life and apply today!

Drive Away In A Brand-New Car!

It's time for a new car, and we have just the loan for you! Created with you in mind, our rates are some of the lowest on the market. Before you shop, get pre-approved and find out how much car you can afford! We'll work with you, as a valued member, to get you the best loan possible.

Lower Your Electric Bill In A Few Simple Ways

As the temperatures rise in the next few months, so will your electrical bill. You may rely on fans and air conditioning to keep cool at home. There are a few things you can do before you turn on your tower fan! First, you should keep your home's blinds and curtains shut so that you don't allow heat to freely enter your home. Additionally, you should always wear season-appropriate attire or take a cool shower whenever you need to cool off.

Remote Deposit Capture

Take a picture and done! With remote deposit capturing, you can deposit checks from the comfort of your own home. No need to come in to deliver your checks in person. Try it out today and start the summer right!

Money Tips For Teenagers

If you're a teenager, you are in the best position to start good money habits now. You will carry these money habits with you through the rest of your life. Here, we share a few tips for teens:

- Start a money-saving habit. If you start this habit now, it will always be with you. With every dollar you get, get into the habit of saving a portion of it. Right now is the ideal time to start because you don't have a lot of expenses - the older you get, the harder it will be to save
- Track your spending habits. Establish a relationship with our credit union so you are able to track the amount of money you have.

Checking Accounts

A checking account from Tyler City Employees Credit Union allows you to make the choices you want with your money! Now it's your money and your choices!

Bill Pay

Paying your bills has never been this easy! Pay online through our mobile app today.
